Lovely Professional University, Jalandhar (LPU Jalandhar)
2020 - Present
B.Tech-Computer Science

Project

Snake Game
Build Snake Game in Pygame and Python.

Snake and apple is a simple game where when a snake eats an apple it gets longer and your score increases. If your snake hits any part of its body it will die.

E commerce Website
Made it using HTML CSS and JavaScript

An Online Store Kara where we can purchase different types of clothes with a wide variety of collections.

Fully Responsive.
